

CD/DVD Shredder

ES-I8CD

The Echo Star ES-I8CD is a destruction device that safely and quickly eliminates confidential CDs and DVDs. The system reduces a disc to hundreds of thin plastic shreds. Large removable hopper holds shredded CDs and is easily emptied. Heavy duty electric motors assure smooth trouble free operation, a single disk can be destroyed in less than five seconds.

Ideal for:

Government organizations
Military organizations
Security Departments
Medical Records Departments
Software duplicators
Marketing List organizations
Financial Institutions
